William E. Hanson
Branch Manager
Fairfield

Bill is a lifetime banker. After holding positions at Lafayette Bank & Trust, he joined Connecticut Community Bank as Branch Manager of the Fairfield office.

For the past 22 years, Bill has worked diligently in building and maintaining solid banking relationships with his clients. Close working relationships with the Bank's commercial lenders and merchant services partners has been an integral part to his success. His clients have truly experienced the power of a community bank.

Bill has fostered a team in Fairfield that focuses on providing superior customer service. Every effort is made to remember clients by name and to feel at home when they either come in personally or are helped over the phone. The management of the office is seamless, as the Assistant Branch Manager has worked with Bill for over 30 years. So many of our clients have testified that banking with Westport National Bank is a pleasure!
