Voluntary Self-Identification of Disability

Why are you being asked to complete this form?

Connecticut Community Bank is a federal contractor or subcontractor. The law requires us to provide equal employment opportunity to qualified people with disabilities. We have a goal of having at least 7% of our workers as people with disabilities. The law says we must measure our progress towards this goal. To do this, we must ask applicants and employees if they have a disability or have ever had one. People can become disabled, so we need to ask this question at least every five years.

Completing this form is voluntary, and we hope that you will choose to do so. Your answer is confidential. No one who makes hiring decisions will see it. Your decision to complete the form and your answer will not harm you in any way. If you want to learn more about the law or this form, visit the U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) website at www.dol.gov/ofccp.

Voluntary Self-Identification of “Protected” Veteran Status

Why Are You Being Asked to Complete This Form?

We are a federal government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended by the Jobs for Veterans Act of 2002, 38 U.S.C. 4212 (VEVRAA). VEVRAA requires contractors to take affirmative action to employ and advance in employment protected veterans. To help measure the effectiveness of our outreach and recruitment efforts of veterans, we are asking you to tell us if you are a veteran covered by VEVRAA. Completing this form is completely voluntary, but we hope you fill it out. Any answer you give will be kept private and will not be used against you in any way. For more information about this form or the equal employment obligations of Federal contractors, visit the U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) website at www.dol.gov/ofccp.

How Do You Know if You Are a Veteran Protected by VEVRAA?

Contrary to the name, VEVRAA does not just cover Vietnam Era veterans. It covers several categories of veterans from World War II, the Korean conflict, the Vietnam era, and the Persian Gulf War. **If you believe you belong to any of the categories of protected veterans please indicate by checking the appropriate box below.** The categories are defined below and explained further in an “Am I a Protected Veteran?” infographic provided by OFCCP.

What Categories of Veterans Are “Protected” by VEVRAA?

“Protected” veterans include the following categories: (1) disabled veterans; (2) recently separated veterans; (3) active duty wartime or campaign badge veterans; and (4) Armed Forces service medal veterans. These categories are defined below.

1. A **“disabled veteran”** is a veteran of the U.S. military, ground, naval or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs; **or** a person who was discharged or released from active duty because of a service-connected disability.
2. A **“recently separated veteran”** means any veteran during the three-year period beginning on the date of such veteran's discharge or release from active duty in the U.S. military, ground, naval, or air service.
3. An **“active duty wartime or campaign badge veteran”** means a veteran who served on active duty in the U.S. military, ground, naval or air service during a war, or in a campaign or expedition for which a campaign badge has been authorized under the laws administered by the Department of Defense.
4. An **“Armed forces service medal veteran”** means a veteran who, while serving on active duty in the U.S. military, ground, naval or air service, participated in a United States military operation for which an Armed Forces service medal was awarded pursuant to Executive Order 12985.
