

Mobile Banking

Enrollment Instructions

To enroll for our Mobile Application, you'll need Online Banking. If you're not already an Online Banking user, go to www.ccbankonline.com and register today.

Mobile Banking App

Simply search for Connecticut Community Bank in your device's app store and download.

Mobile Browser and Text Banking

You must register your phone before you can use the mobile browser or text banking features.

- Log in to online banking from your PC or laptop
- Click Account Services
- Click Requests
- Click Mobile Banking Enrollment
- Add your mobile phone number in Other Services, click continue
- Choose the mobile services for your phone, click continue
- You will be asked to enter an activation code. This code will be sent to you via text message to the phone you are registering, enter the activation code
- You will receive an activation confirmation

Depending on the services requested, you will immediately receive a text message with the mobile browser URL and/or a text with the Text Banking commands.

Text Banking

Text Banking allows you to text us at **61539** with simple short code commands to have your account information sent to you. The following commands are available:

Transaction	Text Command
Account balance(s)	BAL
Account transaction history	
Branch location	Branch plus street or zip
ATM location	ATM plus street or zip
Help	HELP
Discontinue service	STOP

Connecticut Community Bank doesn't charge fees for using Mobile Banking but you should be aware that your mobile service carrier may charge fees for sending and receiving text messages or accessing the Internet.
